MIQUEL VIDAL CORTÉS
C O M P U T E R   E N G I N E E R

ABOUT ME

After finishing my degree in Computer Science and gaining my first experiences as a Back-end Developer, I'm ready to start a new chapter. The year spent studying and living alone, along with the skills I acquired during my degree, has prepared me to embrace new challenges abroad, adapt to different environments, and contribute effectively to innovative projects.
